

Girlguiding Nottinghamshire Gets Wet!
Badge syllabus

This is an exciting new badge is to complete with your unit/ group. It is open to all members from Rainbows to Trefoil Guild, everyone is invited to take up the challenge to GET WET!

To gain the badge each candidate must complete each of the following sections:

- A) A water related activity that is active and outside the meeting place (examples include: taking part in a Division swimming gala/ sponsored swim, completing a water sport taster session, pond dipping at a nature reserve, completing a canal nature walk)
- B) A water related activity inside the meeting place (examples include: water taste test, making food/ beverages from water, playing water bottle skittles, making music from water instruments)
- C) Compile and present information on 2 of the following:-
 - Water use in your home/ meeting place
 - Water Hazards (sewage, debris, green algae etc.)
 - The history of Narrowboating
 - Water sports
 - Types of water environments (canal, rivers, sea, reservoir)
 - Water use in industry
 - Water in the human body
 - Water states (solid/ liquid/ gas)
 - Water animals (animals that live in or near water)
 - Water safety and rescue skills
 - The water cycle/ weather
 - Water purification in the UK and developing countries

This information can be presented as a poster, play, song, information book, as part of a craft or game.

There is scope for flexibility in each section allowing for varying individual ages and needs, varying unit/ group size and resources. It also gives some choice to the girls/ adults completing the badge and enables Guiders to use their flare in activity ideas making the badge exciting and fun. It is paramount to achieve the badge each individual finds each section **challenging and tries something new**, this is left to the discretion of the unit Guider.

Newly designed limited edition Get Wet badges are available from the County Guide shop for £1 each. These will be available for approximately a year before a new colour is launched!

Enjoy your challenge to GET WET!
