|-----------------------------------|---|
| Address | Roughbreck Camp Site Pipers Lodge Lane, Carburton Nr. Worksop Notts S80 3BN |
| Map Reference | Map reference - O.S. sheet 120 Ref: 600735 Leaving Carburton crossroads travelling towards Worksop on the B6034, the entrance is on the left at the top of the hill. |
| Site information | There is one equipped campsite for 36 campers - an inventory of equipment and campsite guidelines can be found on the website www.girlguidingnottinghamshire.org.uk . There are two huts - Welbeck for activities, has tables and chairs and can be used for eating in during bad weather. In an emergency, this hut can be used for sleeping with both doors unlocked and the central gangway kept clear. Clumber is for storage and this contains four washrooms and four elsan toilets. There is also a separate kitchen building where the kitchen equipment is stored and this can be used for storage and preparation of food. The calor gas stove with 4 burners, grill and oven and a two-burner gas ring are housed in this hut. The door of this hut must remain open when it is in use. The water boiler is housed in Clumber and should not be moved at any time or should it be allowed to boil all day as it uses a lot of gas. |
| Caravans (max 2) | Please indicate on your booking form if caravans are to be brought. Caravans should be positioned to the left of the site entrance on the grassy patch. |
| Cars | Parking is only allowed in the designated area. You are allowed to load/unload next to the huts but cars must not remain here. DO NOT BLOCK THE ROADWAY - ACCESS IS REQUIRED FOR EMERGENCY VEHICLES. |
| Activities/ Equipment | There is a parachute, various outdoor activities and some sports equipment available for visitor use. These can be found in the Welbeck Hut. |
| Damage/ Breakages | Any damage and/or breakages must be reported to the Warden or Guide HQ and paid for. |
| Electricity & Lighting | None on site. Four storm lanterns are provided for the huts. THESE MUST BE USED ON A FIRM BASE AND NOT SUSPENDED. Candles are not allowed on |

| | site due to the fire risk, encourage participants to bring a torch. |
| Fuel | Gas, camping gaz and wood for altar fires only, are all provided. Gas bottles are stored in a separate locked cage. There is an altar fire with a metal sheet and grids. Grids and bricks are available for Patrol cooking. Please change the gas cylinders if they run out during your visit. Wood for campfires can be collected from the woods within the campsite area. |
| Gates | The main gate to the site should be left as found. The middle gate should be kept closed, but not locked while people are in residence, however this gate should be locked overnight. Please warn all of your group to take care when walking in an area they do not know as there maybe hidden manholes from the old drainage system, rabbit holes etc. |
| Keys | The key to the gate will be sent by post from the Guide Office. Please return the key within one week of your visit. |
| Public Transport | The timetable for the local buses which stop at the end of the lane leading to the campsite can be found on the notice board in Welbeck. There is also information regarding local taxi firms. |
| Souvenirs | There is a variety of souvenirs on sale, these are stored in a cupboard in Welbeck. Please record those sold on the balance sheet and send the money within two weeks of your visit to the Guide office. |
| Water | There is one tap in a locked wooden shelter; the key is with the camp keys. As the drain under the tap is only shallow, do not put ANY waste water down. There is a second tap located at the entrance to the septic tank - this is only for washing of elsan toilets and for no other purpose. |
| Water - Emergency Supply | Very occasionally difficulty is experienced with the water supply. There is an emergency stand pipe half way down Piper Lane on the left side just after the middle gate as you leave the campsite. |
