

## HISTORIC ROLES ON GO

As of Friday 30 November 2018, membership systems will no longer be accepting historic role requests. If you believe you are missing historic roles, please ensure the information is sent [go@girlguidingnottinghamshire.org.uk](mailto:go@girlguidingnottinghamshire.org.uk) before the 17th November 2018. Membership systems have had to set this deadline because these updates require a lot of staff resource time that then impacts on their capacity to resolve other support queries. The requirement to ensure historic role information is correct has been communicated to members since November 2016. As historic role updates can only be added during the system maintenance period, there can be a two week wait for this information to be updated.
